
Anniversary Clock Identification

by
Mervyn Passmore

Anniversary Clock Identification by Mervyn Passmore contains information, data and images on the majority of mass-produced Anniversary Clocks manufactured during the last 100 years.

This document is a small extract from the book, but please remember that these pages are copyright, and are normally only available to readers of the book.

This document is provided electronically to enable readers of the book to be able to exchange information about the clocks they own or are selling to fellow collectors or potential buyers.

To purchase your own copy of Anniversary Clock Identification, contact your local bookseller quoting the ISBN number of the book:

ISBN 978-0-907109-04-4

Copies can be obtained from many Clock Parts Distributors, online booksellers, on Ebay or direct from the distributors.

Many Public Libraries will obtain books by request.

Manufacturer:

Edgar Henn

Model:

Henn Miniature

43mm x 75mm x 30mm

Backplate information:

Normally unmarked

May have an importer's name

Movement ID code: **EH-MIN**

Notes:

Top corners are rounded and the plates are screwed together. The pendulum illustrated uses a rather inefficient system of weights sliding in eccentric grooves on a flat disk.

2-8 Edgar Henn

Anniversary Clock Identification by Mervyn Passmore

Henn Miniature
43 x 75x 30mm

Notes

The front plates have inspection holes.
Dials often fitted with knurled nuts, not pins.

Rapid Recognition Tips

The pendulum cup in the base has a large square hole to prevent rotation when locked.
